FEATURES & BENEFITS

Ajax No. 945-7

PNEUMATIC HAMMER EXTENDED LENGTH

.401 Shank 1" Diam. Hammer 7" O.A.
The 7" overall length lets this tool protrude farther out of the AJAX 3300 quick change retainer. This allows the operator to better see the tool and work surface.

Ajax No. 1126

PNEUMATIC BUSHING DRIVER

.401 Shank Bushing Driver 5 1/2"
This pneumatic bushing driver enables the user to drive bushings with a pneumatic hammer, rather than using a hand held bushing driver.

Ajax No. 1127

PNEUMATIC BUSHING DRIVER EXTENDED LENGTH

Pneumatic Bushing Driver Extended
For use on trucks, buses, etc. when extra reach is required. This driver enables the user to drive bushings with a pneumatic hammer, rather than using a hand held bushing driver.

Ajax No. 1128
ADAPTOR EXTENSION

Adaptor Extension
Adaptor for No. 1126 & No. 1127 Pneumatic Bushing Driver. Allows for extra reach when driving hard to reach bushings.

Ajax No. 919

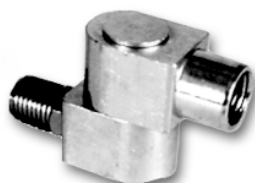

PNEUMATIC CHISEL OFFSET 30°

Pneumatic Chisel Offset 30°, 10 1/2"
.401 Shank 5/8" wide chisel offset 30°. Offset chisel enables operator to reach and cut rivets on ball joints.

Ajax No. 1094

360° HOSE SWIVELS

Ajax No. 1095

360° Swivels
Bi-directional 360° rotation universal joint keeps air hoses straight and untwisted.
Model 1094 1/4" NPT (Aluminum)
Model 1095 3/8" NPT (Aluminum)
